2nd Annual

Drones, Cover Crops and Coffee

Friday November 20, 2026
10:00 am
Just South of 118th Ave on 8th Street
Shelbyville, MI

Join us for a discussion about using single and multi-species cover crops on your fields.
See side by side examples of cover crops planted by drone into standing corn, broadcast, and drilled. Let's talk about successes and challenges.
Bring your stories and experiences

Event will be held rain or shine, with shelter available
