

2023 Agricultural Cost Share Payment Schedule

The tables below contain rates for Allegan Conservation District’s 2023 Cost Share Program. Applications for funding must be approved by the Allegan Conservation District Board of Directors, and implementation must be documented and verified by a District Technician to receive payment.

Cost Share for Conservation Practices - Limited to \$5000/year

Practice	Cost Share
No Till / Strip Till	USDA Rate (\$17.07/acre)
Cover crop	Seed price
Contractor cost for conservation practices	75% of total cost
Soil sampling	Up to 100%
Equipment lease/purchase/modification for practice implementation	75% up to \$2000
Enrollment bonus for CREP and CRP filter strips	\$1,000 per acre
Any other conservation practices at board discretion	Applicable USDA Rate

Cost Share for MAEAP Verification - Limited to \$5000/verification

Practice	Cost Share
Water and soil testing	Up to 100%
Any practices required for verification	Up to 75%
